Updated home with renovations throughout on over 1.5 acres in Earlysville Forest. One level living at its best! You'll love the privacy! Shady trees and a wonderful yard provide the perfect setting for this spacious home. With recently renovated kitchen and bathrooms, fresh paint, and new hardwood floors, this home is a dream. Current owners have converted a large sitting room into a private owner's suite with French doors, large walk in closet and secluded home office/nursery. Three additional bedrooms include one with a private bathroom. Great room at rear of home offers panoramic views of nature! Enjoy the outdoors at home or on the miles of walking trails nearby. Enjoy the detached 600sqft garage with storage and a powered shed for tools and yard equipment too!
